COMPANY OVERVIEW

Since our founding in 1995, Total Solutions, Inc. (TSI) has supported over 500 federal and state contracts for multiple government agencies in 25 states and 45 countries. Our leaders had years of experience supporting NASA as civil servants and contractors prior to starting TSI, and we have supported several NASA contracts, including the NASA Operations and Programmatic Support Services (OPSS). We have successfully supported over 61 NASA OPSS task orders across NASA Headquarters. Our NASA customers provided these CPARS comments that highlight our focus on providing NASA with exceptional support:

[TSI] is detail oriented, customer focused, and results driven.

[TSI] provides quality work at a very reasonable price. The costs are very stable and consistent between offerings, which is critical to our budget planning.

[TSI] does an outstanding job of identifying and selecting highly skilled staff to perform tasks on the contract.
