- Professional Services
- Training Development & Delivery

### OVERVIEW OF CDC SUPPORT

### POINTS OF CONTACT

Total Solutions, Inc. (TSI) has provided health-related services to the CDC since 2006. We have experience providing medical and health services globally to help achieve better health for the world community.

TSI aims to provide impact-focused services and solutions that result in improved lives of people, communities, and populations at greatest risk of experiencing early mortality because of the lack of quality health care services. We also focus on providing proper education and training on how to prevent and manage diseases and disabilities. TSI has experience establishing international collaborative ventures which have resulted in in-place partnerships with key global organizations in Africa, the Republic of Georgia, Puerto Rico, the Dominican Republic, and other Caribbean countries.

***[TSI] is detail oriented, customer focused, and results driven.***

### WHY TSI?

- TSI has managed 367 CDC contracts and task orders.
- TSI has placed 152 employees and subcontracted personnel in international locations.
- We specialize in hard-to-reach populations. TSI has enrolled research study participants during the Kenyan doctor and nurse strikes and successfully enrolled participants in all three of our CDC Zika Research projects in Puerto Rico during and after Hurricane Maria.
- TSI has managed millions of dollars of inventory and supplies for qualitative and quantitative data collected for CDC research studies in politically sensitive areas
- We are highly knowledgeable in IRB and protocol reviews.

***"We would not be able to accomplish half of what we do were it not for the outstanding people that the contractor has provided. We truly view the contractor as an amazing partner that allows us to accomplish significant ground-breaking objectives for the Agency. We cannot thank them enough for all of their efforts."*** Customer CPARS Quote

### A COST-EFFECTIVE, LOW-RISK SOLUTION

TSI's experienced team of management and staffing professionals provide exceptional support to multiple federal agencies. TSI has decades of experience expertly managing contracts of all sizes, from small specialty contracts to large BPAs with hundreds of task orders. Our management team has the background to provide expert management and cost-effective support to our customers.

TSI is a wholly owned subsidiary of Bristol Bay Native Corporation (BBNC), an Alaskan Native Corporation (ANC) with more than \$2B in annual revenue, 3,500 employees, and more than 150 office locations throughout the world.

***We offer the flexibility and responsiveness of a small business with the financial strength and geographic reach of a global organization.***
